COMMENTS:

This bill would develop a program to provide financial assistance to rice growers and end users of rice straw.

The August 30, 2001, amendments would make various changes to the language regarding the rice straw use credit. The amendments resolved the department's implementation concerns as discussed in the department's analysis of the bill as amended August 21, 2001. As a result of the August 30 amendments, this bill no longer impacts the department and an analysis is not required.
